# A Moment With The Browns

Karen and Jimmy met in school, during 7<sup>th</sup> grade history class. This September they will celebrate their 48-year anniversary! Over the years, Jimmy and Karen have found great happiness in each other, as well as in their hobbies. Karen's hobbies include bridge, tennis, and - since her stay at the Polson Motorcoach Resort - Mahjong as well! Jimmy's #1 hobby is collecting classic cars. You'll know which Lot Jimmy and Karen own by the beautiful Pontiac Bonneville parked where you see a golf-cart in most other lots.

Around Polson Motorcoach Resort Karen & Jimmy are fondly codenamed Uptown & Downtown. This fits them so well because of their cool and upbeat attitudes about life and travel.

Jimmy and Karen grew up traveling with their parent's - Jimmy's parents had a Motorhome, and Karen's parents had a Fifth-wheel. This is one of the reasons that just six years ago Jimmy and Karen decided it was time to do some of their own traveling while they're still young!

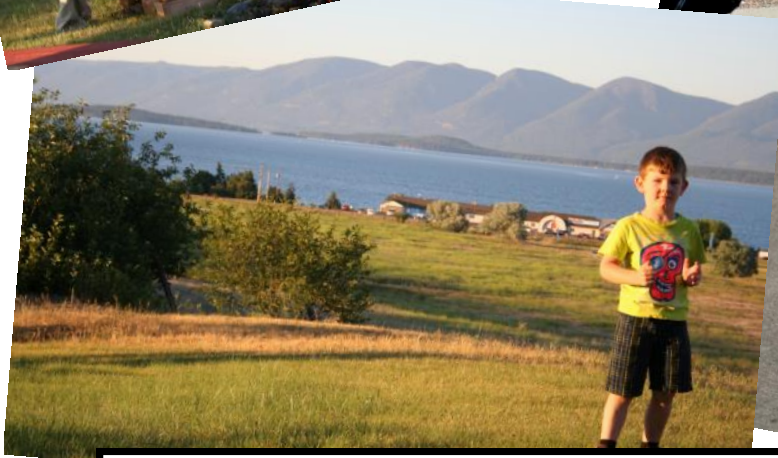

After the Brown's and their friends, the Solberg's, discovered the Polson Motorcoach Resort at a Rally in Wyoming, both couples ventured over to Polson! The views around Flathead Lake, our bright and friendly staff & guests and having their friends nearby, quickly won them over; Now both the Brown's and the Solberg's own their own lots at the Polson Motorcoach Resort.

Karen explains with a smile that there is so much to look forward to when visiting the Polson area; "the lake, the plethora of fun activities around the Resort, and..." she adds, "it's altogether a beautiful place."

One of Jimmy's favorite things in the Polson area is the view from Highway 93, "...When you first see the lake coming over the hill just entering Polson; Takes my breath away every time." Jimmy takes a deep reminiscing-sigh just thinking about it, "That..." he adds, "...and Pocket Cherry Pie". It may be a close-tie for Jimmy.

With such an amazing 47<sup>th</sup> year of travel and fun together, I'm sure Jimmy and Karen Brown's 48<sup>th</sup> will be one to mark down in history.

## A Sensational Summer So-far...

Summer is in full speed and more fun than ever! This year the huckleberries and cherries are two weeks earlier than normal and the temperatures are so warm the lake is beginning to feel like a bath!
